

Conservation Strategy Subgroup
Agenda
March 5, 2007

Purpose: Discuss preliminary conservation strategy alternatives and screening criteria.

Expected Outcome: Develop and recommend conservation strategy screening criteria to be used to refine the range of conservation strategy alternatives or components of alternatives to be carried forward.

Agenda:

1. Introductions—Chair
2. Meeting Purpose—Chair/SAIC
3. Presentation of Two New Requested Preliminary Conceptual Conservation Strategy Alternatives (CSAs)
 - CSA 8—Bifurcated SDA with In-Delta Habitat Restoration
 - CSA 9—Dual Conveyance with In-Delta Habitat Restoration
4. Presentation of CSA Comparison Tables—SAIC
5. Discussion of Preliminary Screening Criteria—Group
6. Guidance to Consultants—Chair/Group
7. Next Steps and Meetings—Chair
